Buster's Pin-board

The Captain and Me.

I was reading my Buster the other day
When Captain Crucial came my way:
He jumped off the page and gave me five,
I said, "Yo, Dude, are you alive?".
Captain said, "That's right, m'man,
I come to help you understand
That if you write this rap about me,
You'll win a Whoosher and 200p.!"
I said. "Thanks, Cap, you're a real lifesaver".
He said, "No prob. for a cool crusader!".

2. A. As far as I know, there's no such thing as a giant, hairy, bird-eating slug. Hang on! Where's my pet budgie gone?

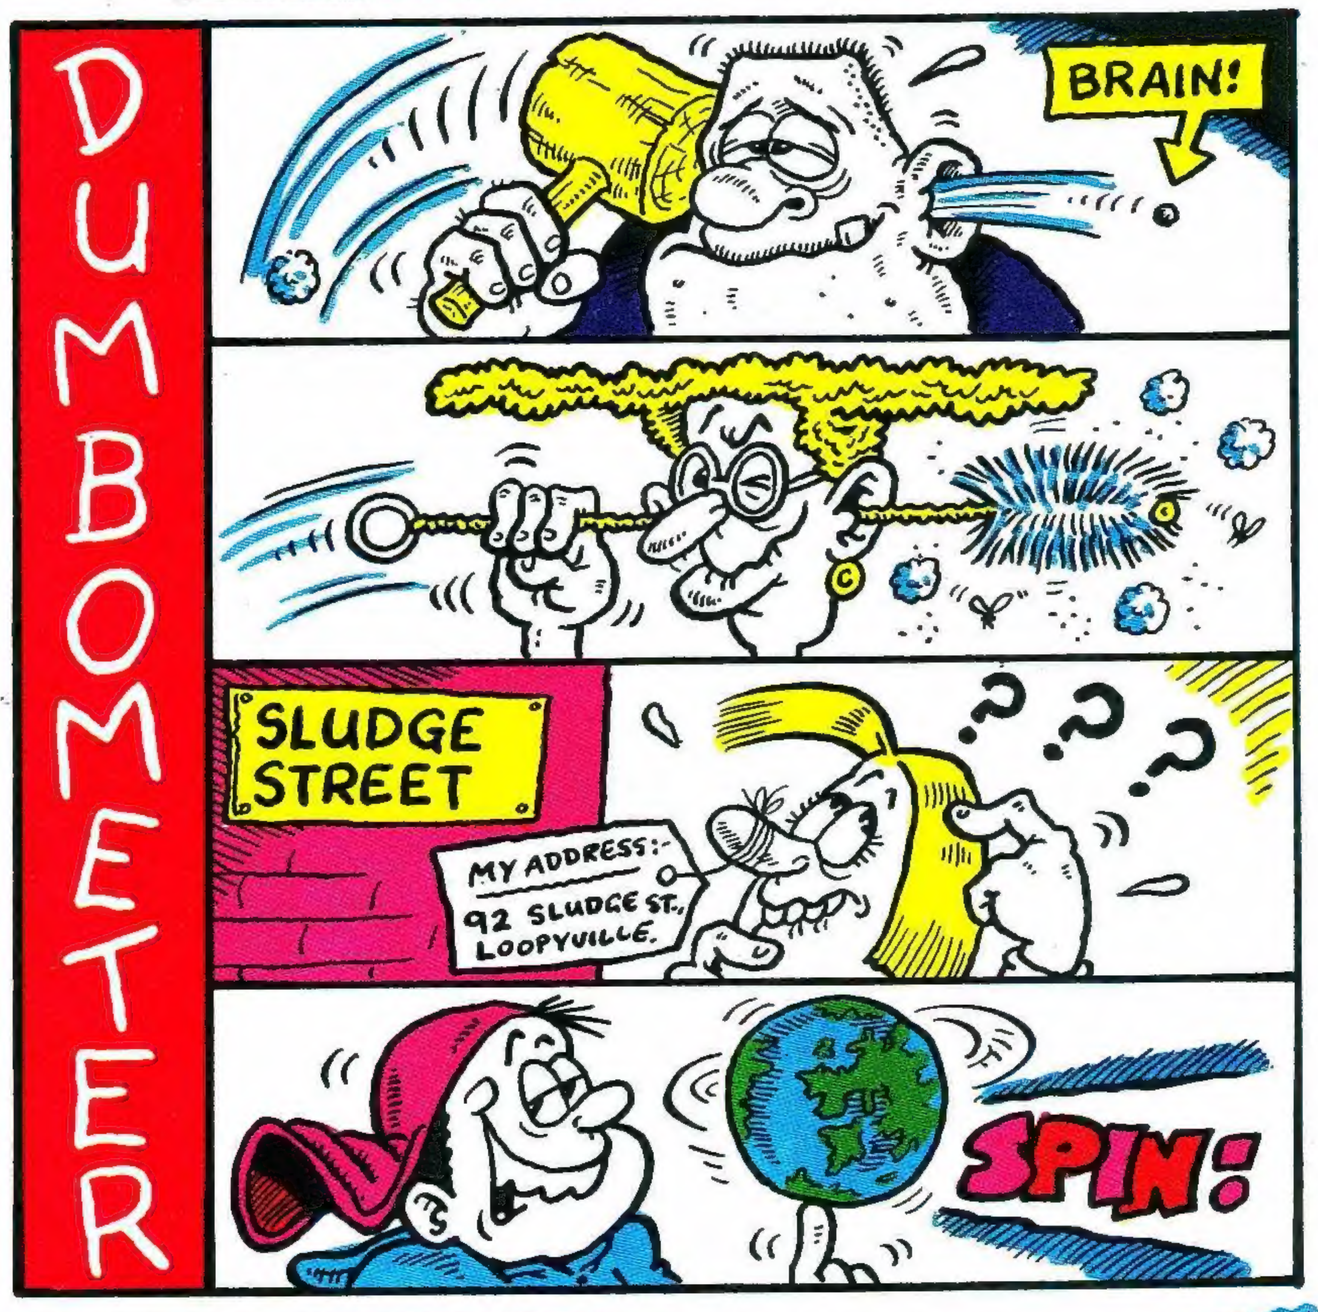

3. B. A person who works in a foot hospital is called a chiropodist, which is a pretty *corny* job. And a scientist who measures the dust on top of mountains must be an idiot!
